ALL AMERICAN OILFIELD LEADERS RECOGNIZED ON ALASKA JOURNAL OF COMMERCE'S TOP 40 UNDER 40 LIST

(Anchorage, Alaska) – On January 29th, All American Oilfield LLC (All American) President Pete Dickinson and Business Manager Tanya Dickinson were recognized on Alaska Journal of Commerce's (AJOC) annual Top 40 Under 40 list. The award celebrates Alaskans under 40 years of age with exceptional business accomplishments and a demonstrated commitment to community service.

The husband and wife duo founded All American Oilfield Associates, LLC and its wholly-owned subsidiary All American Oilfield Equipment, LLC (All American). Chugach Alaska Corporation (Chugach) acquired a substantial portion of All American in January 2015. With nearly two decades of combined experience in Alaska's oil and gas industry, the couple has grown the company's reputation as a reliable partner for operators across the state. In turn, their efforts strengthen the Alaska economy and support employment of our local residents.

The couple are also active in the local community as coaches and volunteers for a number of educational and nonprofit organizations.

The Top Forty Under 40 recipients will be recognized in a special publication by the AJOC and during an awards reception and dinner beginning at 6 p.m. on April 8, 2016, at the Hotel Captain Cook.
